## SHOWERSCREENS AND MIRRORS

### A Regency bathroom is more than a bathroom, it's a world away from home

When creating your ideal bathroom, personalisation and customisation is key, which is why Regency's collection of design options ensures your bathroom becomes a space of absolute tranquillity. Make your shower a standout feature or have it blend in with its surrounds, utilise existing space with custom glass panels or open expansive surrounds with a stylish mirror. It's your oasis to create.

- Frameless, semi-frameless and fully framed showerscreen options
- A range of mirrors and framed glass panels available
- Hardware colours to match the rest of your bathroom
- Installed by our team of highly skilled professionals
- Various glass options
- Custom made to suit your space

## FRAMELESS SHOWERSCREENS

**No matter the style or décor, the understated elegance of a Regency Frameless showerscreen adds class to any bathroom.**

**With no visible frame and seamless joins, there is simply no other showerscreen as beautifully versatile as a Regency Frameless. And when you combine the unmatched levels of architectural design and safety with its practicality, it's not only the value of your home you're adding to, but your lifestyle as well.**

- Versatile design to fit any style of bathroom
- Seamless glass joins and invisible fixing points
- Channel or clip fittings available
- Various glass options

HANDLES

Complementing the sleek style of a frameless shower screen is all about minimalism.

For traditionalists, the timeless appeal of Regency's polished and satin chrome finished hardware adds a touch of shine to the smooth lines of a Frameless shower screen. But for those after a bolder statement, the appeal of the Jett matte black range of knobs, handles and hinges provides a contemporary finish. Most importantly, whichever style speaks to you is always guaranteed to be of the highest quality.

- Wide range of style options
- Door hardware matches clips, brackets, channels and hinges
- Polished and satin chrome finishes
- Jett matte black finishes
- Solid brass and stainless steel construction

## AQUA DELUXE SHOWERSCREENS

**Choose a design that will leave your bathroom with a sense of style and subtle charm.**

It's durability, strength and style makes the Regency Aqua Deluxe range the most sought after design on the Australian market. With a continuous slimline frame and no visible screws or rivets, the showerscreen leaves a modern impression, whilst maintaining its practicality. The design features a strong metal pivot, a slimline perimeter frame, and a frameless door, perfect for those who want to achieve the frameless look without the expense.

- Frameless door for a clean look
- No visible screws or rivets
- Easy to clean and maintain
- Wider openings than standard semi frameless screens
- Inline or overlapping door designs available
- Guaranteed to provide years of reliable use

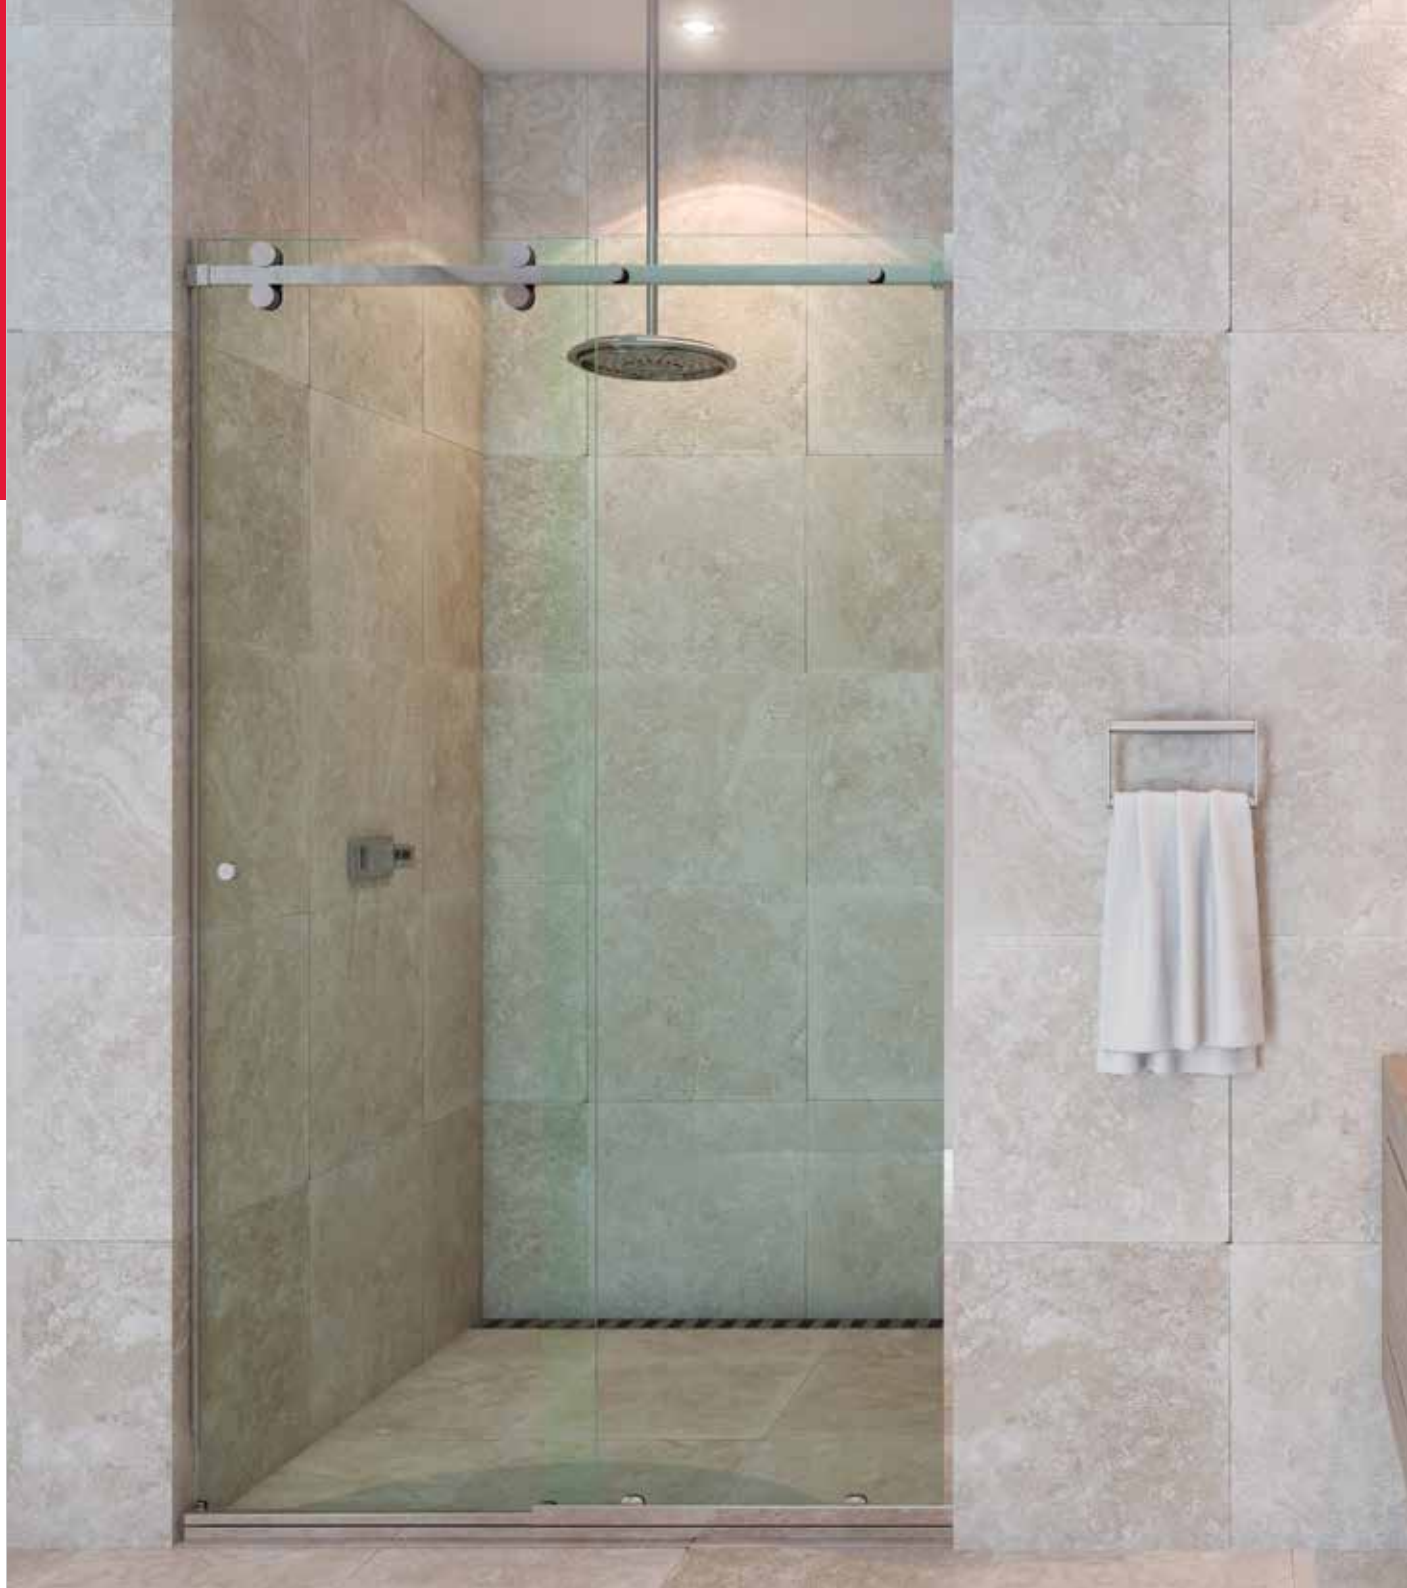

## AQUA DELUXE SHOWERSCREENS SLIDER

**With the right design, space  
should never be an issue.**

Smooth, efficient and elegant, the semi frameless slider is the perfect solution for bathrooms with tighter spaces. Renowned for its even and quiet gliding mechanism, anti-lift technology, as well as its polished chrome fixtures and door handles, this showerscreen gives any traditional or contemporary bathroom a look of sophistication.

- Sliding contemporary door
- Smooth opening, doesn't jump off tracks
- Range of configurations available
- Space saving, ideal for small bathrooms

## PIVOT 2000 SHOWERSCREEN

**A shower should always maintain its feeling of comfort and familiarity.**

The Pivot 2000 is a perfect example of when function and practicality meets contemporary design. With it's elegance and reliability, the pivot showerscreen has remained a favourite within the Regency range. The semi-framed door provides a modern look and feel, whilst the innovative water seal and magnetic door strips ensures practicality in the bathroom.

- Clean and contemporary styling
- Slimline look and simple to clean
- The magnetic seal provides secure closing and easy access
- Fully Framed
- Inline only

## PIVOT 2006 SHOWERSCREEN

**Modernise your bathroom with a single touch.**

The Pivot 2006 has all the strength and durability of a framed screen with one small difference. It's designed with a frameless door to give your bathroom a modern and clean feel. The Pivot 2006 is not only sleek and stylish, but a practical solution for any busy household.

- Clean and contemporary styling
- Slimline look and simple to clean
- Semi Framed, with a frameless door
- Overlap only

# MIRRORS

A single mirror can miraculously transform a room into a space of imagination.

Whether you're after a sleek frameless design or a statement piece, Regency will custom make your mirror to suit your home. Perhaps it's a simple mirror with a smooth polished edge to fit seamlessly into your bathroom, or maybe it's a stunning feature piece to sit in the entry to your home. Regency have a large array of contemporary and traditional designs available in almost any size. We're just waiting on your imagination.

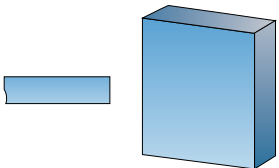

- Regency custom makes all mirrors to your specifications
- Ask about Regency's range of mirror shapes

# NANOCLEAN PROTECTIVE COATING

## Maintain your bathroom with ease.

Bathrooms are considered to be one of the most difficult rooms in the house to clean. But now there's an easier way. Nanoclean uses Nanotechnology to bond an invisible mask to your shower screen so it stays in pristine condition. It minimises the coating of oil and water build-up and eliminates the need for scrubbing, allowing you to relax, wind down and enjoy your bathroom the way you should.

### EASY CLEANING

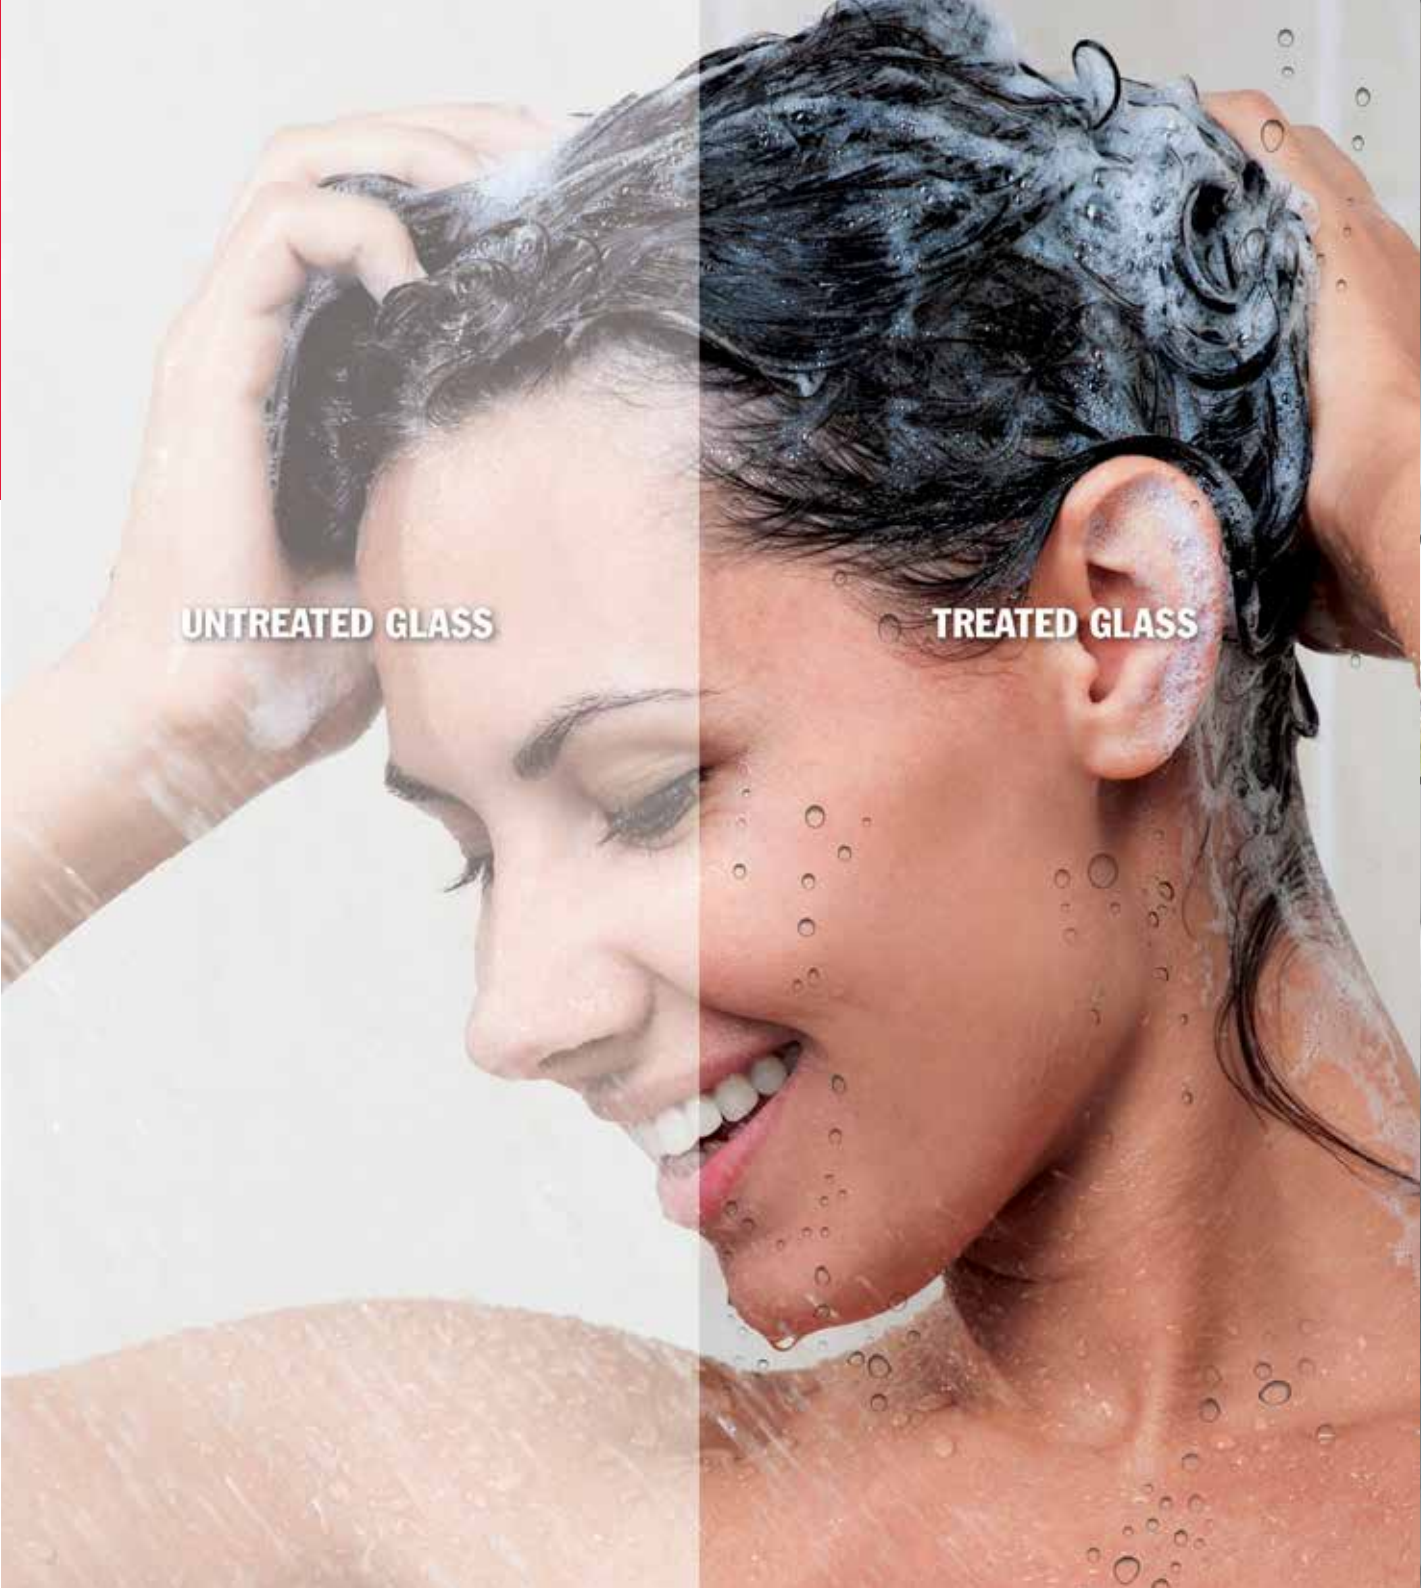

- No scrubbing needed on Nanoclean treated glass
- Eliminates mould and fungus
- Glass is kept clear, bright and sparkling
- Repels both oil and water based substances

### PROTECTS YOUR INVESTMENT

- Prevents damaging lime deposits
- Glass corrosion is prevented
- Guaranteed by a 10 year warranty

### ENVIRONMENTALLY FRIENDLY

- Environmentally friendly cleaning
- Simply clean with a microfiber cloth no more harsh chemicals
- Developed and manufactured in Australia

# WHY CHOOSE REGENCY
