YOUR VISION BROUGHT TO LIFE

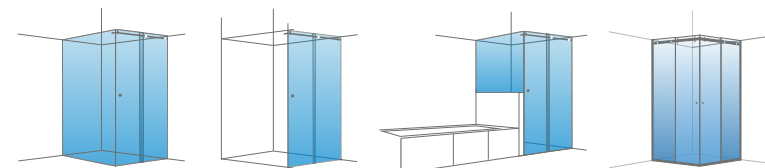

A SHOWERSCREEN DESIGNED FOR EVERYDAY LIVING

The Aqua Slider series brings style and functionality to any bathroom, no matter the shape or size.

With a slim-perimeter frame and ball-bearing runner mechanism, the Aqua Slider door series fits seamlessly into any modern Australian home. Available in a range of standard and custom configurations, not only will you enjoy the benefits of functionality and space, but also sleek design.

- Slim perimeter frame and frameless sliding door
- Smooth opening and anti-lift technology
- Range of configurations available
- Corner sliding option, ideal for bathrooms with limited space
- Easy to clean and maintain
- Guaranteed to provide years of reliable use
